SHORT BIOGRAPHY

Hello, I'm Lee Hildebrandt, born in 1989, raised in Mitchell's Plan, Cape Town, and I'm a Web & App Developer. My aspirations are to pioneer innovative software solutions that will give my client that cutting edge advantage over it's competitors.

EXPERIENCE

- **Trainee Programmer | 2023- Now** Capitec Bank PTY Ltd

- I was 1 of the top 10 who were selected out of 1000 applicants to participate in a 1 year internship offered by Capitec Bank PTY Ltd called "IMI". The internship offered me an opportunity to complete an NQF Level 5 in IT Systems Development and a role as a developer at Capitec Bank on completion.

- **Tech Support Agent | 2020- 2023** Capitec Bank PTY Ltd

- Assisted CAPITEC BANK branches and Head Offices staff with technical related queries e.g., Computer hardware issues, System/Software issues and Networking issues.

- **Help Desk Agent | 2018 - 2020** Capitec Bank PTY Ltd

Provided back office administrative support to CAPITEC BANK branches
Assisted branch with client's general bank account queries and escalations etc.
